

2001 Census of Population

Ward Factsheet: Heysham South

Presented below are summary statistics from the 2001 Census. More detailed statistics can be found at www.statistics.gov.uk or telephone 01329 813 800. The Census is a count of all people and households in the UK. It provides essential statistical information and is available from the national level down to small geographical areas. It covers information such as population, age structure, employment, households and ethnicity. The Census is organised by the Office of National Statistics (ONS). Care must be taken when using this data as some counts have been adjusted to prevent the inadvertent disclosure of identifiable individuals. For more information please contact the ONS.
